Cabernet Sauvignon Diamond Mountain District Summit
Vine Ranch 2012

92 points | \$62 | 831 cases made | Red

A classy style that's taut, rich, structured and deep, with a layered mix of loamy earth, dried herb, dense licorice and dark berry, accented

by cedary oak and a sense of harmony and finesse. Ends with a drying, gravelly aftertaste. Drink now through 2026.—*J.L.*
